

SCHOOL TAX PAYMENT UPDATE

The Afton Central School District's Tax payment options will be changing this year. In the past, in-person payments at the Afton National Bank and Trust was an available payment option. The NBT Bank will not be accepting in-person walk-in payments this fall. A lockbox will be available in the Afton NBT lobby where tax payments may be dropped off. The school will then collect and process the payments. The other option for payment, which hasn't changed, is by mailing your tax payment directly to the school at Afton Central School, Tax Office, PO Box 5, Afton NY 13730. Anyone with questions about this process may call the Business Office at 607-639-8245.
